# S.S. SORES AND ULCERS

S. S. S. heals Sores and Ulcers in the very simplest way. It just goes right down into the blood and removes the cause, and the place is bound to heal because the impurities and morbid matters which have been the means of keeping the ulcer open are no longer absorbed from the blood. External applications of salves, lotions, plasters, etc., can never produce a cure because they do not reach the source of the trouble. At best they can only allay pain or reduce inflammation; such treatment is working on symptoms and not reaching the cause. Every nutritive corpuscle in the blood is weakened or infected, they cannot nourish the fibrous tissue around the place, but instead they constantly discharge into the fiesh around the sore a quantity of impure, germ-laden matter which gradually eats into the surrounding healthy tissue and causes the ulcer to enlarge. Since impure blood is responsible for Sores and Ulcers, a medicine that can purify the blood is the only hope of a cure. S. S. S. has long been recognized as the greatest of all blood purifiers, possessing the qualities necessary to remove every impurity from the blood. While curing the sore or ulcer S. S. Both teams played great ball, and Creswell's single error was excusable on a hard hit grounder. They made a bid to tie in the ninth, when Taylor singled. Lewis fanned, Clarke reached first on Creswell's error and Gwathmey singled, but Ancarrow and Beale flied out to right.

The Cadets went out in order in the first five innings and did not make a hilt off Gwathmey. In the sixth Witt was passed, Tarockmorton clouted one to right for a homer. Grove skied to Ryland, Eray and Clarkeson stung the pill in the eighth to left for the fourth nomerun, ending the game.
